

EG – Europe in Geosciences – Oral Sessions**Monday, 04 April**

MO1 , 08:30–10:00	G6.1/EG6 , Geodetic and Geodynamic Programmes of the Central Europe (co-organized), Room 25, 08:30–10:00
	SM1.2/EG11/G6.4/GD1.7/TS1.6 , Large Scale European Research Facilities/Infrastructures: Data acquisition; Data Storage; Data Access (co-organized), Room 26, 08:30–11:15
MO2 , 10:30–12:00	SM1.2/EG11/G6.4/GD1.7/TS1.6 , Large Scale European Research Facilities/Infrastructures: Data acquisition; Data Storage; Data Access (co-organized), Room 26, 08:30–11:15
MO3 , 13:30–15:00	OS2.2/EG10 , Advances in understanding of the multi-disciplinary dynamics of the Southern European Seas (Mediterranean and Black Sea) (co-organized), Room 7, 13:30–17:00
MO4 , 15:30–17:00	OS2.2/EG10 , Advances in understanding of the multi-disciplinary dynamics of the Southern European Seas (Mediterranean and Black Sea) (co-organized), Room 7, 13:30–17:00

Tuesday, 05 April

TU2 , 10:30–12:00	SM1.4/EG12/G6.5/GD2.10/GM5.8/TS4.8 , TOPOEUROPE, The Evolving Topography of Europe (co-organized), Room 27, 10:30–17:00
TU3 , 13:30–15:00	SM1.4/EG12/G6.5/GD2.10/GM5.8/TS4.8 , TOPOEUROPE, The Evolving Topography of Europe (co-organized), Room 27, 10:30–17:00
TU4 , 15:30–17:00	SM1.4/EG12/G6.5/GD2.10/GM5.8/TS4.8 , TOPOEUROPE, The Evolving Topography of Europe (co-organized), Room 27, 10:30–17:00

Wednesday, 06 April

WE1 , 08:30–10:00	BG2.3/EG4 , The climate response of Mediterranean vegetation: lessons for a warming Europe? (co-organized), Room 24, 08:30–10:00
	CL1.15/EG5 , Multi-proxy investigations of climates of the last millennium (co-organized), Room 16, 08:30–12:00
WE2 , 10:30–12:00	CL1.15/EG5 , Multi-proxy investigations of climates of the last millennium (co-organized), Room 16, 08:30–12:00
WE4 , 15:30–17:00	OS3.4/EG9 , Deep Sea Frontier - A European Challenge (co-organized), Room 7, 15:30–17:00

Thursday, 07 April

TH1 , 08:30–10:00	NH9.1/EG8 , Public policy and commercial applications of natural catastrophe risk assessment (co-organized), Room 1, 08:30–12:00
TH2 , 10:30–12:00	NH9.1/EG8 , Public policy and commercial applications of natural catastrophe risk assessment (co-organized), Room 1, 08:30–12:00
TH4 , 15:30–17:00	EG1 , Today and Tomorrow: Regional Environmental Perspectives and Futures, Room D, 15:30–17:00

EG – Europe in Geosciences – Poster Sessions**Monday, 04 April**

MO5 , 17:30–19:00	G6.1/EG6 , Geodetic and Geodynamic Programmes of the Central Europe (co-organized), Halls X/Y, XY217–XY232
	G6.3/EG7 , European cartographic heritage - historical maps in environmental geosciences (co-organized), Halls X/Y, XY244–XY252
	OS2.2/EG10 , Advances in understanding of the multi-disciplinary dynamics of the Southern European Seas (Mediterranean and Black Sea) (co-organized), Halls X/Y, XY625–XY639
	SM1.2/EG11/G6.4/GD1.7/TS1.6 , Large Scale European Research Facilities/Infrastructures: Data acquisition; Data Storage; Data Access (co-organized), Halls X/Y, XY640–XY659

Tuesday, 05 April

TU5 , 17:30–19:00	EOS02/EG3 , Cultural and Political Impacts on Building Global Geoscience Human Capacity (co-organized), Hall XL, XL1–XL4
	SM1.4/EG12/G6.5/GD2.10/GM5.8/TS4.8 , TOPOEUROPE, The Evolving Topography of Europe (co-organized), Halls X/Y, XY725–XY757

Wednesday, 06 April

WE5 , 17:30–19:00	BG2.3/EG4 , The climate response of Mediterranean vegetation: lessons for a warming Europe? (co-organized), Poster Area BG, BG16–BG29
	CL1.15/EG5 , Multi-proxy investigations of climates of the last millennium (co-organized), Hall XL, XL17–XL49

Thursday, 07 April

TH2 , 10:30–12:00	OS3.4/EG9 , Deep Sea Frontier - A European Challenge (co-organized), Halls X/Y, XY601–XY618
TH5 , 17:30–19:00	EG1 , Today and Tomorrow: Regional Environmental Perspectives and Futures, Hall A, A1–A7
	NH9.1/EG8 , Public policy and commercial applications of natural catastrophe risk assessment (co-organized), Halls X/Y, XY527–XY549

Friday, 08 April

FR4 , 15:30–17:00	EG2/CR1.70 , Future Perspectives for European Polar Research (co-organized), Hall A, A1–A6
