

## ICYESS2013 - Session Overview

<b>Sunday, 22 September 2013</b>		
19:00		Registration and ice breaker
<b>Monday, 23 September 2013</b>		
08:00-09:00		Registration and poster setup
09:00-10:00		Opening
10:00-11:20	Oral presentations	Session I: Limited understanding of physical, chemical, and biological processes and interactions
11:20-13:00	Poster presentations	
13:00-14:00		Lunch break
14:00-15:30		Keynote lecture by Eli Tziperman (Harvard University, US)
15:30-15:45		Coffee break
15:45-17:15		Keynote lecture by Richard Tol (University of Sussex, UK)
17:15-18:40	Oral presentations	Session II: Uncertainties in the context of Earth system governance
18:40-19:45	Poster presentations	
19:45		Conference dinner
<b>Tuesday, 24 September 2013</b>		
09:00-10:15	Oral presentations	Session III: Finite resources in modelling, observations and analysis (Part A)
10:15-11:45	Poster presentations	
11:45-12:25		Networking presentations
12:25-14:00		Lunch break
14:00-15:55	Oral presentations	Session IV: Innovative presentation formats
15:55-17:00	Poster presentations	
17:00-18:30		Panel discussion: Uncertainty at the science-policy interface: Why does it all go wrong?
18:30		Reception
<b>Wednesday, 25 September 2013</b>		
08:30-09:45	Oral Presentations	Session III: Finite resources in modelling, observations and analysis (Part B)
09:45-11:30	Poster Presentations	
11:30-13:00		Keynote lecture by Joyeeta Gupta (University of Amsterdam, NL)
13:00-14:00		Lunch break
14:00-14:55	Oral Presentations	Session V: Uncertainties in environmental impacts, their perception and communication
14:55-16:00	Poster Presentations	
16:00-17:00		Closing
